3. QTE. Dear General Gowon: Recently one of the four C-97 aircraft sold by the USG to the Joint Church Aid relief group crashed while delivering relief supplies at Uli Airport. The plane suffered damage to such an extent that it will be impossible to return it to operational condition.

I have received a request from the JCA group for a C-97 to replace the destroyed aircraft. Since the original intent of the agreement with Joint Church Aid, which was communicated to your Government, was that the United States Government would maintain JCA's operational capacity at four C-97's, we have an obligation to provide JCA with a replacement for the lost plane.

The decision to replace the destroyed C-97 is, of course, entirely separate from any decision concerning the two additional C-97's requested by JCA-USA in order to augment their present operational fleet. As you are aware, a decision on this matter is in abeyance because of my own strong conviction that a

better solution to the relief problem can be found. At the invitation of Dr. Arikpo, I shall be coming to Lagos about the 23rd of this month to continue discussions on the Cross River and other surface corridors.

Let me again express my personal appreciation for the humane concern evinced by yourself and your government for the welfare of all of the people of Nigeria. My best wishes and sincere regards, C. Clyde Ferguson, Jr. UNQTE.

4. As stated in the letter, I now plan to arrive in Lagos May 23rd hopefully after meeting with Dr. Arikpo in The Hague. The following letter should be given to Dr. Arikpo immediately and his response obtained as soon as possible.

5. QTE. Dear Dr. Arikpo: On behalf of myself and my family I should like to express my appreciation for the condolences of yourself and the people of Nigeria. Your expression of sympathy will be of great personal comfort to me in the difficult days ahead.

As you know, I had intended to return to Lagos immediately after completing testimony before various of our Congressional committees interested in the relief operations in Nigeria. But, the sad events of last week forced a short postponement. I have now been informed that you will be in The Hague for a few days beginning May XX 20. I had myself planned to call on Foreign Ministry officials at The Hague Monday, May 19, while enroute to Lagos. In light of your own travel plans, I would be more than happy to call upon you at The Hague for a brief chat.

Recently I was assured by representatives of the secessionists here in the United States that they are now prepared to engage in conversations with representatives of the Federal Military Government regarding the proposed Cross River relief route and related matters. Moreover, they indicated that they are prepared to commence such conversations immediately.

It is apparent that the next step is the identification of an appropriate meeting site. In this connection I have attached a memorandum for consideration by your Government. I should hope that if you and I are able to meet in The Hague that we will be able to reach some initial agreements on acceptable sites for conversations.

As you know, our Government has not yet responded to the rather urgent request by the Joint Church Aid group for additional C-97's. On the other hand our Government does propose to replace the C-97 which recently crashed at Uli. This is in accordance with the intent of the original understanding with Joint Church Aid to maintain the level of C-97's at four.

I am looking forward to meeting you again and, once more, my ~~personal~~ personal thanks for your kind ~~con~~ consideration.

Best personal regards, Sincerely, C. Clyde Ferguson, Jr.

MEMORANDUM FOR MR. HENRY A. KISSINGER
THE WHITE HOUSE

SUBJECT: Reply to Bishop Swanstrom's Cable

Bishop Swanstrom has requested that the U.S. Government sell to Joint Church Aid (USA) two additional C-97's in order to increase the total number of C-97's available to JCA for airlifting relief supplies into the Biafran enclave. Originally, we sold to JCA at a nominal price four C-97's despite the active opposition of the Federal Government of Nigeria. The Federal Government is presently aware of JCA's request for two additional planes and has made its firm opposition to the sale known to the Department. The Nigerian Government explicitly linked present negotiations concerning a surface corridor with any sale of the additional aircraft to JCA. Negotiations on a surface corridor are now in an active phase and we have assurances that the Nigerian Government is prepared to approve a surface corridor plan.

Bishop Swanstrom is aware of our problem of releasing C-97's at this time. Extensive conversations have been held with his principal officer in charge of the airlift, Mr. Edward Kinney, and James MacCracken, Director of Church World Services, which is a principal partner of Catholic Relief Services in the JCA operation. We have been exploring with them ways to maximize the use of their present complement of aircraft without actually increasing

the size of the complement. At the same time, we are examining ways of improving their financial position. They, on their part, are exploring the possibility of procuring commercial aircraft, particularly aircraft of foreign registry.

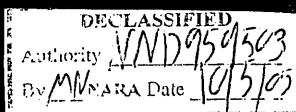

Since Bishop Swanstrom's request for two additional aircraft was received, one JCA C-97 crashed while landing at Uli Airport. The crew was not injured, but the aircraft as a result of the crash was a total loss. We have anticipated a request for a replacement for this aircraft and have decided that we will make available a replacement for the lost C-97, as stated in the attached letter to Bishop Swanstrom.

For your background information, prior to the introduction of the four C-97's in January of this year, the total Sao Tome air fleet included six DC-6's, two DC-7's, one C-46, and one Constellation all flying an average of 70 tons nightly into Uli airfield. With the introduction of the four C-97's, two DC-6's and two DC-7's were dropped. Severe C-97 supply and maintenance problems resulted, however, in an initial net decrease in tons flown; but with refinements in the support system and extensive help from the U.S. Air Force in finding parts, these planes have now become a major ingredient of the airbridge. Airlift capacity has recently been averaging 160 tons per night.

Because of the close relations which already exist between Bishop Swanstrom and Dr. Ferguson,

CONFIDENTIAL

and the possibility that Dr. Ferguson should brief Bishop Swanstrom more fully on the negotiations surrounding a surface relief corridor, it is felt that a reply to the Bishop's cable should be made by Dr. Ferguson. Moreover, Dr. Ferguson has already replied to an earlier cable from the Bishop concerning the same subject.

DRAFT

Dear Bishop Swanstrom:

The President has asked that I reply to your telegrams to him requesting his assistance in obtaining two additional C-97's for the JCA relief airlift from Sao Tome.

As I stated in my letter to you of May 2, any increase in U.S. Government supplied aircraft must be considered in the light of its effect on present efforts to obtain other relief routes. At the same time, however, we shall make every effort to assure that the original complement of four C-97's is maintained and that our financial support of the airlift is maximized.

In order to assure the continued effectiveness of the JCA-USA airlift, the Department of State has approved the sale of a replacement aircraft for the C-97 which crashed on Uli airstrip on the night of May 7. We expect a rapid consummation of the sale and early delivery of this aircraft to JCA-USA.

You have my personal assurance that your request for the additional C-97's will be kept under active consideration by my office. An augmentation of your present complement of four

aircraft will be weighed against the progress being made on the opening of a surface corridor. I would appreciate an opportunity to discuss this problem with you personally and hope that we may find a time to meet in the near future.

Memorandum of Conversation

DATE: May 14, 1969

SUBJECT: Nigerian Relief

PARTICIPANTS: Dr. Kenneth O. Dike, Roving Representative
of Biafra
Ambassador Timothee N' Guetta Ahoja,
Embassy of the Republic of Ivory Coast
Dr. C. Clyde Ferguson, Special Coordinator
on Nigerian Relief
Mr. Stephen C. Schott, U/CF

Dr. Dike stated that he had sought an appointment with Dr. Ferguson in order to explain to him some of the background to the Civil War in Nigeria. The principal point that he made was that relief was inextricably bound up with some of the political issues and, therefore, he hoped that Dr. Ferguson would be willing to make his voice heard on the political issues as well as the relief issues. He also expressed the opinion that the war could not be resolved by a military victory of the Federal Government over the secessionists, and that there must be a peaceful settlement to it. He also said that he regretted very much that the U.S., although declaring itself neutral in many ways, prejudiced its position in many small ways which revealed its true attitude.

Dr. Ferguson stated that he was well aware of the political issues involved in relief; however, his mandate was to deal with the relief problems and only the relief problems. Therefore, he was obliged to press ahead to obtain as much agreement as he could

on an adequate level of relief and a means of delivering it. Nevertheless, he would not be a stumbling block to discussions of a truce or political settlement if the parties had first come together to discuss relief.

Dr. Ferguson told Dr. Dike that there already was substantial agreement on surface corridor proposals and that he was now trying to get an agreement from both sides to meet at a commonly agreed site to work out a viable modus operandi. It was recognized that this might present both sides with an opportunity to discuss other matters as well as relief. If such were to happen, he felt sure that the U.S. would not withdraw its good offices. However, he himself would have to seek new instructions from the Department.

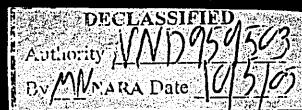

With regard to sites, Dr. Ferguson noted that Addis Ababa apparently would not appeal to the Biafrans, but that perhaps London would be acceptable. Dr. Dike expressed doubt about London, saying that the atmosphere there was prejudiced. Dr. Ferguson mentioned that he was preparing an approach to both the Federal Government and the Biafran authorities on the question of site selection.

Dr. Dike said that it would be a mistake for Ferguson to believe that this was solely an African affair; and, he suspected the good faith of statements that it could be settled by Africans. He went on to express the opinion that the U.S. should recognize that it was the only country which could bring a resolution to the problem. Furthermore, the interested parties should not have a rigid concept of the term, "one Nigeria" since there were many possibilities for solution that would preserve the unity of Nigeria.

Dr. Ferguson responded that he still believed that this is an African problem which should be solved by Africans. However, he recognized the involvement of other European powers in African affairs. Nevertheless, the U.S. would not

become embroiled politically or militarily in the Nigerian Civil War. On the other hand, we were prepared to offer our good offices to both parties, and he personally recognized that there were many gradations of sovereignty which would offer the Biafran people a degree of autonomy and security satisfactory to them within a united Nigeria.

1. Schott's recent conversations in the Hague revealed that optimistic the Dutch are ~~sufficient~~ sufficient tugs and barges are available commercially in Nigeria to service the Degema-Oguta route (their estimate is eighteen 100-ton barges and ~~5~~ tugs). We need a refined estimate including estimates from operators such as Holt and Elder Dempster as to how many could be released. This in preparation Dewey's discussions with Dutch on May 16. Also needed is a better fix on dates marking beginning and end of period when usual 4-foot dry season depths over both the Burutu and Degema routes leading to Oguta are exceeded by significant enough amounts to permit the 6-7' draft tugs and barges cited by the Dutch to operate.
2. Schott observed Dutch have done most thorough job on Degema route work-up. We need similarly thorough work-ups on this and

2. ARIKPO CONFIRMED IYALLA STATEMENT TO FERGUSON THAT FMG NAVY NO LONGER RAISING DIFFICULTIES ABOUT INSPECTION LSM'S FOR USE ON CROSS RIVER. I REMINDED ARIKPO THAT CROSS RIVER OPERATION COULD NOT BEGIN WITHOUT AGREEMENT WITH REBELS ON MODALITIES AND ASKED WHETHER FMG NOW PROPOSED TO MEET WITH REBELS AS FERGUSON HAD EARLIER PROPOSED. ARIKPO SAID YES.

3. RE DAYLIGHT FLIGHTS, ARIKPO SAID HE EXPECTED TO SEE LINDT MAY 13. HE COMMENTED THAT LINDT HAD NOT BEEN VERY SPECIFIC IN REPORTING TO EXTEBLE ENAHORO ON LINDT/BERG TALKS WITH REBELS. ABOUT ALL THAT LINDT HAD SAID WAS THAT REBELS WERE NOW WILLING CONSIDER POSSIBILITY OF DAYLIGHT FLIGHTS.

4. I COMMENTED THAT I WAS CONCERNED THAT NAFI SEEMED TO BE INSISTING ON SURVEILLANCE OF DAYLIGHT RELIEF FLIGHTS. THIS WAS NOT PRACTICABLE METHOD OF ENSURING AGAINST MINGLING OF ARMS FLIGHTS WITH RELIEF FLIGHTS. FMG'S BEST GUARANTEE WOULD BE CONTROL OF RECEIVING AIRSTRIP BY ICRC OR OTHER AGREED ENTITY.

ARIKPO RESPONDED THAT FMG FELT VERY STRONGLY ABOUT PROVISION ADDITIONAL C-97'S TO JCA WHILE EFFORTS TO ESTABLISH DAYLIGHT FLIGHT AND SURFACE ROUTE WERE UNDER WAY. HE MADE TANGENTIAL COMMENT THAT FMG HAD HOPED THAT FERGUSON'S ATTEMPT TO STIMULATE GREATER AFRICAN PARTICIPATION IN RELIEF OPERATIONS WOULD HAVE BEEN SUCCESSFUL BY NOW AND THAT USG MIGHT HAVE MADE PLANES AVAILABLE TO AFRICANS.

MEMORANDUM FOR MR. KENT CRANE
OFFICE OF THE VICE PRESIDENT

9/11/75 5-C-121

This document released to
Public per J. Bishop AF

SUBJECT: Request for Vice President Endorsement
of "Walk for the Children of Biafra"

The attached communication to the Vice President from Mr. Joel DeVore asks that the Vice President endorse a "Walk for the Children of Biafra" to take place on May 10 in Anchorage, Alaska. A similar communication was sent to the President by another sponsor of this activity in Anchorage. It was agreed by the Department and the White House that it would be inappropriate for the President to endorse a privately organized fund raising effort that, however praiseworthy from the humanitarian point of view, would involve this Government politically. The President has indicated publicly his intention to avoid US political involvement in the Nigeria/Biafra situation.

Consequently it would also appear inappropriate for the Vice President to lend his public endorsement to the Anchorage Walk for the Children of Biafra.

Honorable Spiro T. Agnew
Vice President of the United States
Washington, D. C. 20501

Dear Mr. Agnew:

Within the past two months a concern for the victims of the Biafran crisis has grown in Anchorage. Out of this empathy for human suffering has come the Walk For The Children of Biafra Committee led by youth of the community with an adult advisory group. With the increasing approval of people of many diversities, the Walk is hoped to do more than draw attention to a great need. It seeks to solve that need by raising funds for relief and rehabilitation.

The Anchorage Walk is modeled after the design used in Walks for Development which were organized by the Freedom From Hunger Foundation. This unique means of raising funds has been used by youth across the nation in the last year with wide public approval. Recently Gary Bond, a field representative of the Freedom From Hunger Foundation spent four days in Anchorage guiding our committee in the total design of the Walk.

The Walk has been scheduled for May 10 with a course of 31 miles mapped in detail.

Enclosed you will find a sponsor's card, copies of authorization and information from the Biafra Relief Services Foundation, Inc., a brochure of general information on the walk, and a copy of a joint proclamation issued by the local borough and city governments.

We have been greatly encouraged by the enlarging concern of the administration and Congress and were especially encouraged by the joint article in Reader's Digest (May 1969) by Senator Edward Kennedy and Representative Donald Lukens. TV spot announcements featuring Mr. Lukens and others endorsing the work of the Biafran Relief Services Foundation are being shown on all Anchorage stations prior to the Walk.

We would seek your support by a letter or wire of endorsement and also would invite you to be with us on May 10 with other leading citizens to participate in the Walk For The Children of Biafra.

Sincerely,

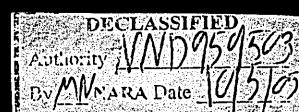

Joel DeVore

FOR IMMEDIATE RELEASE

ANCHORAGE, MAY 2, 1969 - Mayor George Sullivan and Borough Chairman John Asplund signed proclamations yesterday marking Saturday, May 10, as WALK FOR THE CHILDREN OF BIAFRA DAY. The day has been proclaimed in conjunction with a project to be held that day to raise funds for the children of that African state.

The idea to Walk to raise funds originated with the Freedom from Hunger Foundation, Inc., Washington, D.C. and has successfully raised thousands of dollars in other communities. The most recent Walk was held in Eugene, Oregon, where over \$30,000 was collected for both community and world-wide self-help and rehabilitation projects.

Anchorage young people have responded overwhelmingly to use their "sole power" on May 10, according to Connie Hood, a Dimond High School student and publicity chairman for the event. Each walker will be asked to obtain as many sponsors as possible, Miss Hood said, who will pledge a sum of money for each mile walked.

The Walk in Anchorage will cover a thirty-one mile course beginning at the Park Strip Tennis Courts at 10th and E Streets. Registration will begin next Saturday at 7:30 a.m. followed by a short opening ceremony at 8 a.m. The actual Walk will begin at 8:10 a.m. following a figure eight course through the city and the borough. It will end on the AMU campus.

The Walk has been praised by local civic and religious leaders alike. It is anticipated that several thousand Walkers will participate.

All funds raised will be sent to the Biafra Relief Services Foundation of New York City. The BRSF is a private, non-profit, philanthropic organization incorporated under the laws of the State of New York. Because of a great number of volunteer workers, professionals and non-professionals, 85% to 90% of all monies collected will be used for Biafran relief.

Such dignitaries as Senator Charles Goodell (R,N.Y.) and Rep. Donald Lukens (R, Ohio) have endorsed the Biafra Relief Services Foundation and have made public appearances on their behalf. Congressman Lukens recently headed a House Committee investigational trip to Biafra.

Anyone wishing to Walk or to Sponsor a Walker may call the Walk Headquarters at 277-2646 or stop by at 519 Third Avenue.

Through the courtesy of the National Bank of Alaska, monies collected may be turned in at any of their branch offices on Monday and Tuesday only, May 12 and 13, from 3 to 6 p.m.

MEMORANDUM FOR MR. KENT CRANK
OFFICE OF THE VICE PRESIDENT

SUBJECT: Request for Vice President Endorsement
of "Walk for the Children of Biafra"

The attached communication to the Vice President from Mr. Joel DeVore asks that the Vice President endorse a "Walk for the Children of Biafra" to take place on May 10 in Anchorage, Alaska. A similar communication was sent to the President by another sponsor of this activity in Anchorage. It was agreed by the Department and the White House that it would be inappropriate for the President to endorse a privately organized fund raising effort that, however praiseworthy from the humanitarian point of view, would involve this Government politically. The President has indicated publicly his intention to avoid US political involvement in the Nigeria/Biafra situation.

Consequently it would also appear inappropriate for the Vice President to lend his public endorsement to the Anchorage Walk for the Children of Biafra.

Acting Executive Secretary

Honorable Spiro T. Agnew
Vice President of the United States
Washington, D. C. 20501

Dear Mr. Agnew:

Within the past two months a concern for the victims of the Biafran crisis has grown in Anchorage. Out of this empathy for human suffering has come the Walk For The Children of Biafra Committee led by youth of the community with an adult advisory group. With the increasing approval of people of many diversities, the Walk is hoped to do more than draw attention to a great need. It seeks to solve that need by raising funds for relief and rehabilitation.

The Anchorage Walk is modeled after the design used in Walks for Development which were organized by the Freedom From Hunger Foundation. This unique means of raising funds has been used by youth across the nation in the last year with wide public approval. Recently Gary Bond, a field representative of the Freedom From Hunger Foundation spent four days in Anchorage guiding our committee in the total design of the Walk.

The Walk has been scheduled for May 10 with a course of 31 miles mapped in detail.

Enclosed you will find a sponsor's card, copies of authorization and information from the Biafra Relief Services Foundation, Inc., a brochure of general information on the walk, and a copy of a joint proclamation issued by the local borough and city governments.

We have been greatly encouraged by the enlarging concern of the administration and Congress and were especially encouraged by the joint article in Reader's Digest (May 1969) by Senator Edward Kennedy and Representative Donald Lukens. TV spot announcements featuring Mr. Lukens and others endorsing the work of the Biafran Relief Services Foundation are being shown on all Anchorage stations prior to the Walk.

We would seek your support by a letter or wire of endorsement and also would invite you to be with us on May 10 with other leading citizens to participate in the Walk For The Children of Biafra.

Sincerely,

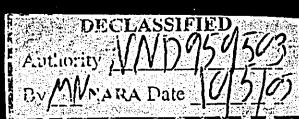

Joel DeVore

FOR IMMEDIATE RELEASE

ANCHORAGE, MAY 2, 1969 - Mayor George Sullivan and Borough Chairman John Asplund signed proclamations yesterday marking Saturday, May 10, as WALK FOR THE CHILDREN OF BIAFRA DAY. The day has been proclaimed in conjunction with a project to be held that day to raise funds for the children of that African state.

The idea to Walk to raise funds originated with the Freedom from Hunger Foundation, Inc., Washington, D.C. and has successfully raised thousands of dollars in other communities. The most recent Walk was held in Eugene, Oregon, where over \$30,000 was collected for both community and world-wide self-help and rehabilitation projects.

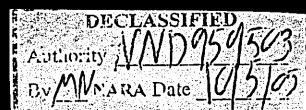

Anchorage young people have responded overwhelmingly to use their "sole power" on May 10, according to Connie Hood, a Dimond High School student and publicity chairman for the event. Each walker will be asked to obtain as many sponsors as possible, Miss Hood said, who will pledge a sum of money for each mile walked.

The Walk in Anchorage will cover a thirty-one mile course beginning at the Park Strip Tennis Courts at 10th and E Streets. Registration will begin next Saturday at 7:30 a.m. followed by a short opening ceremony at 8 a.m. The actual Walk will begin at 8:10 a.m. following a figure eight course through the city and the borough. It will end on the AMU campus.

The Walk has been praised by local civic and religious leaders alike. It is anticipated that several thousand Walkers will participate.

-more-

Anchorage Walk for the Children of Biafra Committee: (Geographical Representatives) Connie Hood (Dimond High), Becky Shear (East High), Kathy Harrison (Chugiak High), David Williams (West High), Joel DeVore (Dimond High), Gretchen Small (East High), Tom Atkinson (Chugiak High), Mike Swanigan (West High). (Advisory) Mayor George Sullivan, Robert Goldberg, Mrs. William Lewis, Fr. Denis Corkery, Mike Maher, Hal N. Banks, Walter L. Hays, Andrew Kirk.

All funds raised will be sent to the Biafra Relief Services Foundation of New York City. The BRSF is a private, non-profit, philanthropic organization incorporated under the laws of the State of New York. Because of a great number of volunteer workers, professionals and non-professionals, 85% to 90% of all monies collected will be used for Biafran relief.

Such dignitaries as Senator Charles Goodell (R, N.Y.) and Rep. Donald Lukens (R, Ohio) have endorsed the Biafra Relief Services Foundation and have made public appearances on their behalf. Congressman Lukens recently headed a House Committee investigational trip to Biafra.

Anyone wishing to Walk or to Sponsor a Walker may call the Walk Headquarters at 277-2646 or stop by at 519 Third Avenue.

Through the courtesy of the National Bank of Alaska, monies collected may be turned in at any of their branch offices on Monday and Tuesday only, May 12 and 13, from 3 to 6 p.m.

Peat, Marwick and Mitchell, local public accountants have donated their time to audit all accounts and records. All contributions are fully tax deductible.

WITH REGARD TO THE IMMEDIATE BUDGETING ASSISTANCE REQUIRED TO FUND THIS CONTRACT, THE US GOVERNMENT IS PREPARED TO DEPOSIT TO THE ACCOUNT OF THE ICRC AT THIS TIME ONE MILLION DOLLARS. THIS SUM SHOULD BE MORE THAN ADEQUATE TO ENABLE YOU TO MEET THE IMMEDIATE DRAIN ON YOUR CASH POSITION OCCASIONED BY THIS CONTRACT AND ANY CONTINGENCY WHICH MAY ARISE FROM ITS EXECUTION.

INASMUCH AS THE UNITED STATES GOVERNMENT HAS NOT YET ANNOUNCED ITS CONTRIBUTION TO THE ICRC BUDGET FOR JUNE, JULY AND AUGUST OF THIS YEAR, THIS ONE MILLION DOLLARS WILL BE CONSIDERED AN ADVANCE ON OUR UNSTATED CONTRIBUTION FOR THE MONTH OF AUGUST. IT WILL NOT, OF COURSE, AFFECT IN ANY WAY OUR LEVEL OF CONTRIBUTION FOR JUNE OR JULY.

I HAVE STATED TO YOU IN THE PAST, AND I AM PLEASED TO REITERATE IT THAT OUR CONTRIBUTION TO THE ICRC BUDGET WILL DEPEND ON THE LEVEL OF RELIEF ACTIVITY. AS YOU CORRECTLY STATE, IT DOES NOT APPEAR AT THIS TIME THAT YOUR LEVEL OF ACTIVITY AND EXPENDITURE CAN BE KEPT TO LESS THAN THAT ALREADY PLANNED. THEREFORE, THE UNITED STATES GOVERNMENT IS PREPARED TO CONSULT WITH YOU ON THE POSSIBILITY OF A DEFICIT AND TO COOPERATE FULLY IN MEETING THAT DEFICIT ESPECIALLY IF IT IS OCCASIONED BY THE ADDED EXPENDITURE FOR THE LSM'S.

YOU HAVE ASKED OUR OPINION ON THE SUFFICIENCY OF THE CONTRACT WITH EDWIN H. FLETCHER. ALLOW ME TO ASSURE YOU THAT WE HAVE LOOKED AT THIS CONTRACT MOST CAREFULLY AND ARE SATISFIED THAT IT WILL MEASURE UP TO THE NEEDS ON WHICH WE ARE AGREED. IT IS ENTIRELY SATISFACTORY TO US AND WE DO NOT ANTICIPATE ANY ONEROUS EXPENDITURES BEYOND THOSE ALREADY KNOWN TO YOUR STAFF.

AGAIN PLEASE ACCEPT MY PERSONAL AND OFFICIAL ASSURANCES OF OUR CONTINUED COOPERATION IN THIS VITAL EFFORT. SIGNED.

QUOTE: DEAR MR. FERGUSON: I HAVE JUST READ THE REPORTS ON THE CONTRACT WITH E.H. FLETCHER AND HAVE COME TO THE CONCLUSION THAT ALTHOUGH AN AGREEMENT HAS BEEN REACHED ON THE CASE OF LANDING-CRAFTS, ONE SHOULD MAKE SURE THAT OUR POSITION IN THE FINANCING OF THE OPERATION IS CLEAR TO YOU.

IT HAS BEEN UNDERSTOOD THAT THE COST OF THE FINANCING OF THIS OPERATION, WHICH WAS NOT INCLUDED IN OUR SIX-MONTH BUDGET, WOULD BE COVERED BY THE U.S. GOVERNMENT WHICH WOULD PROVIDE ADDITIONAL FUNDS TO THIS EFFECT.

ON THE OTHER HAND, WE ASSURED YOU THAT IF, AT THE END OF THE SIX-MONTH PERIOD (31-8-69), AFTER HAVING COVERED ALL OUR EXPENSES, WE MIGHT HAVE AT OUR DISPOSAL UNEXPENDED FUNDS ON OUR NIGERIAN OPERATION, WE WOULD EXAMINE WITH YOU WHETHER AND UP TO WHICH POINT THESE UNEXPENDED FUNDS COULD BE USED TO COVER THIS ADDITIONAL EXPENSE DUE TO THE CHARTER OF THE TWO LSMUS.

Subj: Nigerian Relief: Sale of Additional C-97 Aircraft to JCA

1. JCA President Bishop Swanstrom is pressing an earlier request for USG sale of two additional C-97 aircraft for JCA Biafran airlift. He states insufficient number aircraft has QTE seriously hampered UNQTE JCA operation recent weeks. (This somewhat at variance with other recent reports that Uli capacity inhibited use additional aircraft.) Bishop Swanstrom informed by Ferguson letter May 2 that request under study in Department.

2. Department has received several reports recently that one or more of existing C-97's frequently grounded for mechanical reasons or lack of spare parts. Provision of additional two aircraft as backup planes would ease spare parts problem and enable JCA keep all four flying at one time. This would therefore significantly increase flow of relief supplies into Biafra, especially since ICRC likely request similar treatment.

3. Dept is of course fully cognizant of sharp FMG reaction to our provision of original four planes. During call on Ferguson May 5 (see septel) Ambassador Iyalla indicated awareness of JCA request for more

planes and warned that affirmative decision might cause FMG reaction which would jeopardize surface corridor proposal. We would hope avoid such reaction and would appreciate Embassy views on probable FMG response to our providing additional two C-97's, initially at least on backup basis.

4. For greater FMG acceptability, we would hope to include as precondition to any additional sale of planes JCA acceptance of independent inspection procedure such as use of private Swiss firm with which JCA has been in contact. Would appreciate Embassy views on whether such procedure would be helpful in heading off adverse Federal reaction.

SUBJ: Nigerian Relief - Visit of Nigerian Ambassador Iyalla

1. Ambassador Iyalla called on Ferguson May 5 and stated that he wished continue discussion started by Ferguson with Arikpo in London, April 22nd. He stated that surface corridor question had been studied by Government officials and decided by highest councils that FMG should cooperate as fully as possible with Ferguson. Therefore, after study it was decided that Cross River surface corridor was acceptable in principle. In particular, they could approve use of LSM's carrying goods up Cross River to Ikot Okporo. Question of road route to Ikot Okporo ferry crossing presented some problems, since the road and its feeder lines might not carry full relief effort and still serve as communications link for Nigerian Army.

2. Iyalla further stated that re use LSM's on Cross River, the Nigerian admiralty would have no problem about inspection which could be at point other than Lagos-Apapa port. He indicated that they had to look forward to day when there would be no Biafran enclave, and the Federal Government would itself wish to use LSM's to bring relief and rehabilitation to the area. He also indicated that there were other surface corridors which would be feasible, ~~xx~~ provided hostility of local population not prevent their use.

3. Ferguson welcomed this information and stated that we would be in position to utilize Cross River route by June 1st; that the equipment would be in place by that time. With regard to truck route to Ikot Okporo, he said that his staff had carefully examined this road and felt that truck route ~~xx~~ would not interfere with existing military communications and could be properly maintained. The question of inspection could be worked out for example by allowing naval-boarding at sea before goods entered Cross River. Need for LSM's to move relief goods, no matter how military situation developed, was expressed.

4. Iyalla then stated he had heard church groups were pressing for two more C-97's. Ferguson confirmed that whereas previously he had heard rumors of such request he had now received firm request.

Iyalla said ~~xxxxxxxxxx~~ that Lagos would have "a sharp reaction" to any further contribution of planes to relief effort. He pointed out that the church groups (not the ICRC) were operating illegally over Nigerian territory. He further said that his Government was not interested whether or not planes were an actual addition to original four or would replace one or more cannibalized planes. Further, his Government would not be interested in a trade-off in which Nigerian Rehabilitation Commission would receive a like donation of planes.

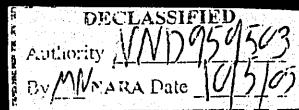

5. Iyalla pointed out that Uli Airfield is a military target and claimed that Federal Army would soon take it. At that point, presumably, it would not be possible fly relief goods into Biafra and we would have to rely on surface corridors. He made it increasingly clear throughout conversation that favorable progress on Cross River route would depend on how we handled C-97's.

6. Ferguson raised question of airdrops as one which had been given increasing publicity. Ambassador Iyalla responded immediately that

SUBJ: NIGERIAN RELIEF: LINDT'S REPORT ON DAYLIGHT AIRLIFT

1. LINDT CALLED ON AMBASSADOR AFTERNOON MAY 3. HE HAD RETURNED MAY 1 FROM REBEL AREAS WHERE HE AND GENERAL BERG (UCA) HAD TWO MEETINGS WITH COMMISSIONER COOKEY, CHIEF OF STAFF BIAFRAN AIR FORCES AND CHIEF JUSTIC MBANEFO. LINDT AND BERG TOOK UP QUESTION DAYLIGHT RELIEF FLIGHTS IN FIRST MEETING ON APRIL 28, BUT RECEIVED LITTLE ENCOURAGEMENT FROM REBELS. FOLLOWING DAY REBEL CABINET MET AND ON MORNING APRIL 30, MBANEFO SUGGESTED TO LINDT BE USEFUL HOLD SECOND MEETING. AT THIS MEETING LINDT, WHO RELUCTANT GIVE US FULL DETAILS, SAID "INTEREST" WAS SHOWN IN DAYLIGHT LIFT PROPOSAL. LINDT AND BERG DID NOT REPEAT NOT SEE OJUKWU WHO REPORTEDLY AT SOUTHERN FRONT.

IN LAGOS ON MAY 2, LINDT SAW CHIEF OF STAFF EKPO AND DEPUTY PERSEC MINEXTAFF ENAHORO AND FOUND BOTH RECEPTIVE TO PROPOSAL BUT THEY FELT NEED AWAIT ARIKPO RETURN FROM PARIS BEFORE PURSUING MATTER FURTHER. BERG CAME TO LAGOS WITH LINDT BUT LINDT FELT INADVISABLE FOR HIM BE PRESENT AT MEETING WITH FMG OFFICIALS. BERG, INCIDENTALLY, ESTIMATES DAY LIFT WOULD PERMIT 50 PERCENT INCREASE OVER NIGHT LIFT.

THESE LINES MADE TO HIM BY REBELS. LINDT EXPRESSED VIEW THAT PACKAGING DAYLIGHT FLIGHTS WITH NIGHT FLIGHTS WOULD BE NON-STARTER. IN HIS DISCUSSIONS LINDT DID NOT IDENTIFY AIRSTRIPE TO BE USED BUT REFERRED TO "EXISTING STRIPS". LINDT APPEARED SOMEWHAT OPTIMISTIC AND BASES HIS OPTIMISM ON THE FACT THAT BOTH SIDES HAD EXPRESSED THEI THOUGHT THAT COMMON GROUND FOR AN AGREEMENT MIGHT LIE IN DAYLIGHT RELIEF FLIGHTS. HE BELIEVES BOTH SIDES NOW LOOKING FOR SOMETHING TO AGREE ON IN HOPE THAT SUCH AGREEMENT MIGHT LEAD TO RESOLUTION CONFLICT.

4. LINDT LEFT FOR SANTA ISABEL IMMEDIATELY FOLLOWING HIS TALK WITH AMBASSADOR AND WILL BE IN GENEVA MAY 6 AND 7, RETURNING TO LAGOS ON MAY 9 WHEN HE EXPECTS TO SEE ARIKPO. LINDT DOES NOT REPEAT NOT DISCOUNT DIFFICULTIES READING AGREEMENT PARTICULARLY WHEN MODALITIES SUCH AS INSPECTION AND SURVEILLANCE OFFER EASY WAY OUT TO EITHER SIDE, BUT BELIEVES MODALITIES CAN READILY BE RESOLVED IF, AS HE BELIEVES, BOTH SIDES REALLY LOOKING FOR SOMETHING TO AGREE ON.

5. IN RESPONSE AMBASSADOR'S QUESTION, LINDT THOUGHT THERE NOTHING FERGUSON MIGHT DO AT MOMENT TO ASSIST IN EFFORTS REACH AGREEMENT ON DAY LIFT.

Ambassador Iyalla stated that he had come in to continue the discussion started by Mr. Ferguson with Dr. Arikpo in London on April 22nd. He stated that the question of a surface corridor had been studied by Government officials in Lagos and it had been decided in the highest councils that the FMG should cooperate as fully as possible with Mr. Ferguson. Therefore, after study it had been decided that the Cross River surface corridor was all right in principle. In particular, the Government could approve the use of LSM's carrying goods up the Cross River to Ikot Okporo. The question of a road route to the ferry crossing at Ikot Okporo presented some problems, since the road and its feeder lines might not be able to carry the full relief effort and still be used as a communications link by the Nigerian Army. This could possibly affect the security of the Southeast State.

Ambassador Iyalla further stated that with regard to the use of LSM's on the Cross River route, the Nigerian admiralty would have no problem about inspection at Lagos. Arrangements could be worked out for inspection somewhere other than the port at

Lagos-Apapa. He mentioned that, in fact, it might be good for the Nigerian Navy to observe the use of LSM's in action. And he indicated that they had to look forward to the day when there would be no Biafran enclave, and the Federal Government would itself be interested in using LSM's to bring relief and rehabilitation into the area. He also indicated that there might be other surface corridors which would be feasible, provided that the hostility of the local population to the movement of goods along such waterways into Biafra would not prevent their use.

In reply, Mr. Ferguson welcomed this information and stated that we would be in a position to utilize the Cross River route by June 1st; that the equipment would be in place by that time. With regard to a truck route to Ikot Okporo, he said that his staff had carefully examined this road and felt that a truck route would not interfere with existing military communications and that the road could be maintained to bear such heavy traffic. He felt that the question of inspection could be worked out for example by allowing a naval-boarding at sea before the goods entered the Cross River. The need for the LSM's to move relief goods, no matter how the military situation developed, was expressed.

Ambassador Iyalla then stated that he had heard that the church groups were pressing for two more C-97's. Mr. Ferguson confirmed that whereas previously he had heard rumors that they wished to obtain two more C-97's, he had now received a firm request. Ambassador Iyalla said that Lagos would have "a sharp reaction" to any further contribution of planes to the relief effort. He pointed out that the church groups (not the ICRC) were operating illegally over Nigerian territory. He further stated that his Government was not interested in whether or not the planes were an actual addition to the original four or whether they would replace one or more cannibalized planes. Further, his Government would not be interested in

a trade-off in which the Nigerian Relief and Rehabilitation Commission would receive a like donation of planes. He protested that Omo-Bare had no need for planes.

The Ambassador pointed out that Uli Airfield is a military target and he claimed that the Federal Army would soon take it. At that point, presumably it would not be possible to fly relief goods into Biafra and we would have to rely on a surface corridor. He made it increasingly clear throughout the conversation that favorable progress on the Cross River route would depend on how we handled the C-97's.

Mr. Ferguson raised the question of airdrops as one which had been given increasing publicity. Ambassador Iyalla responded immediately that the Federal Government would never accept airdrops because they could not assure that weapons would not be airdropped, too. He conceded readily, however, that airdrops from planes flying from Lagos was a different matter.

The Ambassador asked when Mr. Ferguson would be able to travel to Lagos and indicated that the FMG was anxious that he return to discuss relief routes. Mr. Ferguson said that Congressional relations had kept him in Washington, but that he expected to return to Lagos during the last two weeks in May and would remain for extensive discussions with Government officials.

The conversation ended with some discussion of the hearings before the Diggs' Subcommittee. The Ambassador stated that he had two of his staff members present at the hearings, and had been very pleased at the way the hearings went. He was interested in getting a large number of copies of the hearings as soon as they were published and we promised to take care of his needs.

1. Department prepared hold bilateral talks with Dutch MFA on surface corridors provided agenda include financing for ICRC and problems coordinating government contributions relief effort.
2. Talks should be at expert level and may be held either Washington or The Hague. We suggest that talks precede next Hague Group meeting and that principals, Ferguson and Huydecoper, meet immediately preceding Group meeting to review outcome talks and decide joint positions.
3. We assume that if joint talks are to be held next Hague Group Meeting will not take place before May 15. That would allow for expert talks May 12 and 13 and meeting of Ferguson and Huydecoper May 14.

4. Re daylight flights: Ferguson does not intend press Lagos or Biafrans on daylight flights at this time. It is necessary that other interested governments achieve a coordinated approach to Lagos and Biafran side before drawing again on Ferguson. FYI - Ferguson intends return West Africa immediately after next Hague meeting and will be prepared then undertake necessary demarches on surface routes and/or daylight flights. End FYI.
5. We doubt that Dutch demarches could be viewed as counter-productive. However, lack of follow-up by other Hague Group governments was disappointing. Coordination of demarches was left in Dutch hands and we regret this was incomplete. Nevertheless, Ferguson appreciates support provided by Dutch Govt. as stated reftel B.
6. Timing of demarches to Lagos has been critical factor. While it is true Ferguson counselled Nordics against demarches to Lagos re daylight flights, this was in part because of response Dutch received and danger further uncoordinated demarches could be counter-productive, in part desire keep such demarches in framework Hague Group, and in part change of timing on Ferguson's negotiations.
7. With regard to charge of Danes that Dutch stated to FMG that they acting in behalf all donor govts in making demarche, Dutch Embassy

Arguments raised against Canair strip included jeopardy to present airlift and pilots; reduction in relief flights due to third airstrip construction; financial cost; government rather than church responsibility; further aggravation of FMG. In reply to query by Rev. Unquote.

9. Summation discussion relief corridors included following points: all possible should be done by JCA to secure permission for legal day flights in acceptable corridors; need to work together with ICRC, that the two airbridges, ICRC and JCA, should have a joint strategy, working together in approaches to FMG and Biafrans, but if necessary, alone; JCA hope that Ferguson may be near a realistic solution in terms of the real need (land corridor); that there were

S E I C R I E T COTONOU 454
FOR FERGUSON FROM DAWSON
SUBJECT RSMI - C-97S

1. DESPITE COMPLAINTS FROM SOME QUARTERS IN US ABOUT THE C-97S, THE ONLY NEGATIVE COMMENTS ABOUT THESE AIRCRAFT ARE THAT THE ONES IN COTONOU WERE NOT RECEIVED IN FULLY SERVICEABLE CONDITION AND OF COURSE THE NON-AVAILABILITY OF SPARE PARTS. ALL OTHER COMMENTS ARE FAVORABLE EVEN TO THE POINT OF CONSIDERABLE PRIDE IN THE AIRCRAFT.

2. THERE SEEMS TO BE, HOWEVER, ONE AREA WHERE THE USG TAKES THE BRUNT OF THE SPARE PARTS PROBLEM, WHICH IS RADAR. BOTH LINDT AND DYRSSEN SPOKE AT LENGTH TO DAWSON ON THIS PROBLEM, STATING THAT THERE WAS ONLY ONE RADAR OPERATIVE AND THAT UNDER SEVERE WEATHER CONDITIONS PLANES HAD TO RETURN TO BASE WITHOUT GETTING TO ULI.

3. DAWSON REQUESTS GUIDANCE ON RADAR QUESTION SPECIFICALLY AND SPARE PARTS GENERALLY. ALSO REQUEST GUIDANCE RE C-141 WHICH BROUGHT UP FREQUENTLY ON LOWER LEVELS AT SAO TOME AGAIN USG COMES UNDER SOME CRITICISM THAT QUESTION C-141 APPEARS AS A SORT OF CORNUCOPIA OF SPARE PARTS.

ESTIMATE WITH NEW SUPPLY ADI THAT OPERATION SAO TOME AT PRESENT LEVEL OF APPROXIMATELY 10 TO 15 FLIGHTS WILL CONTINUE TO MAY 6. SHELL HOPES TO HAVE AV GAS SUPPLY BY THEN.

3. DISCUSSION WITH SHELL REP TURNED TO A SMALL TANKER LOCATED PERMANENTLY AT SAO TOME. TWO BIG ADVANTAGES ARE THAT NORMAL TANKERS TOO LARGE FOR ENTRY TO SAO TOME SO SMALL ONE MUST ACT AS QUOTE LIGHTER UNQUOTE, AND A SMALL TANKER COULD ALSO BE A FLOATING FUEL SUPPLY POINT. AT PRESENT SAO TOME MUST BE SUPPLIED ABOUT FOUR TIMES PER MONTH.

4. SPENT 4 HOURS WITH GOVERNOR TUES MORNING DISCUSSING WIDE VARIETY RELIEF PROBLEMS. WHILE SKIRTING POLITICAL ISSUES, DAWSON MADE THE FOLLOWING POINTS: A) US, ESPECIALLY FERGUSON'S OFFICE, PLEASED TO SEE COOPERATION OF GOVERNOR WITH THE VOLUNTARY AGENCIES FLYING RELIEF; B) THAT HIS PROGRAM FOR HELPING BIAFRAN CHILDREN WAS GETTING WIDE ATTENTION; AND C) THAT PURPOSE OF VISIT WAS TO MAKE AVAILABLE TO RELIEF AGENCIES A MAN ON THE SPOT WHO COULD BY KEEPING FERGUSON'S OFFICE INFORMED BY FIELD REPORTS MAKE THAT OFFICE MORE HELPFUL AND RESPONSIVE.

5. GOVERNOR OBVIOUSLY WELL INFORMED ON RELIEF OPERATIONS. IN THIS REGARD HE WANTS MORE PLANES INVOLVED AND ENLARGED AIRPORT. IN LATER INFORMAL DISCUSSIONS WITH VOLAG PERSONNEL THEY INDICATED SOME WILLINGNESS BY GOVERNOR TO PAY FOR AT LEAST PART OF THE ADDITIONS. ONE OF GREATEST NEEDS IS FIRE-FIGHTING EQUIPMENT AND FIRE TRUCK. THERE IS APPARENTLY NONE ON ENTIRE ISLAND.

6. IN PERSONALLY CONDUCTED TOUR GOVERNOR TOOK DAWSON TO HOSPITAL (WORST CASES) AND SAN ANTONIO (RECUPERATIVE STAGE) WHERE BIAFRAN CHILDREN LOCATED. AT PRESENT 257 ON ISLAND WITH APPROX 30 TO 50 MORE EXPECTED SHORTLY. GOVERNOR DELIGHTED WHEN DAWSON SPOKE OF 50 ODD CHILDREN HE ENCOUNTERED IN BIAFRAN TOWN NGURU LAST MARCH AND GAVE A REPORT OF THEIR CONDITION.

7. ANNOUNCEMENT OF BROADENING BASE FOR US PAYMENT FOR CARRYING US GOODS REACHED SAO TOME WHILE DAWSON THERE AND CAUSED SOME DISCOMFORT WITH VOLAGS. QUESTION WAS ABOUT SUPPLY OF US GOODS AND HOW MUCH OF A SCRAMBLE THERE COULD BE TO CARRY THEM. GENERAL AGREEMENT, HOWEVER, THAT IT WOULD BE VERY HELPFUL.

1. WE CONTINUE TO BELIEVE CROSS RIVER CORRIDOR IS SUITED TO SUPPLY POPULATION LEFT IN AREA EAST OF IMO RIVER. FURTHERMORE DATT BELIEVES REBELS ARE CARABLE OF MAINLY HOLDING CONTROL OVER LAND MASS EAST OF UMUAHIA (SOMETIMES CALLED AROCHUKU SALIENT), AND THEREFORE USE OF CROSS RIVER AS RELIEF CORRIDOR INTO THAT REBEL ENCLAVE SHOULD NOT BE DISCOUNTED.

2. DATT'S ASSESSMENT WITH WHICH UK ASST DEFENCE ADV AND UK MILITARY OBSERVER CAIRNS AGREE IS BASED ON FOLLOWING CONSIDERATIONS:

A. OBJECTIVE OF RECENT FED 1ST DIVISION OFFENSIVE WAS SEIZURE OF UMUAHIA. CLEARING REBELS ALONG WEST BANK OF CROSS RIVER WAS NOT REPEAT NOT INCLUDED AS PART THIS MISSION. THUS 1ST DIVISION'S MILITARY OPERATIONS CONFINED TO DRIVING A WEDGE FROM OKIGWI AND AFIKRO TO UMUAHIA.

B. FEDERALS IN UMUAHIA SECTOR ARE EXPECTED TO REQUIRE AN EXTENSIVE PERIOD OF TIME TO REORGANIZE AND RESUPPLY, AND DURING THIS PERIOD WILL HOLD AND CONSOLIDATE GAINS. FEDERAL SUPPLY LINES LONGER AND TROOPS MORE DISPERSED THAN EVER, THEREBY FURTHER INCREASING TIME REQUIREMENT. NO NEW FEDERAL OFFENSIVES EXPECTED BE LAUNCHED FROM UMUAHIA AREA.

3. DATT THEREFORE CONCLUDES FEDERALS DO NOT CONSIDER REBELS IN AREA EAST OF IMO RIVER AS SERIOUS THREAT TO SECURITY FEDERAL FORCES AND THEREFORE IT DOUBTFUL FEDERALS WILL ATTEMPT FOR TIME BEING TO REMOVE THEM FROM THIS AREA. REBELS WILL THEREFORE BE ABLE HOLD THIS SECTOR UNLESS THEY THEMSELVES CHOOSE WITHDRAW TO AREAS WEST OF IMO RIVER. IN SUM AREA IS AT PRESENT CONSIDERED UNCONTESTED.

4. WE HAVE DISCUSSED FOREGOING WITH WOODI WHO CONCURS IN ASSESSMENT OF CONTINUED VALUE CROSS RIVER ROUTE AS WELL AS EMBASSY COMMENTS WHICH FOLLOW. WOOD DEPARTING LAGOS MAY 1 WITH SPROWLS FOR INSPECTION KOKO AND WARRI IN MID WEST, RETURNING LATE MAY 2. HE WILL ATTEMPT DEVELOP FURTHER INFORMATION FROM WATERWAYS SOURCES IN WARRI IN RESPONSE REFTEL.

5. ALTHOUGH CROSS RIVER ROUTE WOULD APPEAR STILL FEASIBLE AS CORRIDOR INTO REBEL HELD AREA ROUTE WOULD NOT REPEAT NOT BE USABLE TO REACH MAJOR PART OF POPULATION IN REBEL AREA WHO NOW GATHERED WEST OF IMO RIVER. THIS IS BECAUSE ACCESS TO BRIDGE OVER IMO WEST OF UMUAHIA CONTROLLED BY FEDERALS AND OWERRI ABA ROAD BRIDGE REMAINS CONTESTED. SEVERAL NEW CORRIDOR CONSIDERATIONS WOULD THEREFORE OBTAIN. DEPENDING ON DEGREE TO WHICH AREA IS "CUT OFF" FROM REBEL HEADQUARTERS AND DIRECTION THERE COULD BE DIFFICULTIES IN WORKING OUT MODALITIES FOR RELIEF ROUTE FOOD TRANSFER DISTRIBUTION ETC. WITH REMAINING REBEL LEADERSHIP IN EASTERN SALIENT. SECONDLY, SINCE ICRC (AND PRESUMABLY CHURCHES) HAVE WITHDRAWN WEST OF IMO CORRIDOR PLANNING WOULD PRESUMABLY HAVE TO INCLUDE POSITIONING OF RELIEF PERSONNEL AND TRANSPORT AND FUEL REQUIREMENTS ETC. THROUGH RELIEF CORRIDOR ITSELF.

6. CURRENT POPULATION IN SALIENT AREA UNDER REBEL CONTROL DIFFICULT TO ESTIMATE PARTICULARLY SINCE RELIEF OPERATIONS

HAVE CEASED. THERE INDICATIONS ARE THAT UP TO 8000 HAVE LEFT AREA MOVING NORTHWARDS AFIKPO (LAGOS 3781) BUT THAT THERE HAS BEEN NO REPEAT NO GREAT EXODUS OF REFUGEES INTO AFIKPO AREA SO FAR ALTHOUGH ROAD WEST FROM UMUAHIA WAS REPORTED CLOGGED WITH REFUGEES BEFORE CITY'S FALL IT DIFFICULT ESTIMATE HOW MANY REMAINED IN AREA SOUTH AND EAST OF UMUAHIA. SEEKS LIKELY HOWEVER MANY FLED TO BUSH AND REMAIN IN AREA.

7. OTHER ROUTES: IN ABSENCE POSSIBILITY ON GROUND SURVEY ORASHI RIVER ROUTE WE HAVE LITTLE TO ADD TO PREVIOUS INFORMATION SUBMITTED ON OGUTA WATERROUTES (WARRI/BURUTU, NUN BRANCH AND DEGEMA). THIS SUBMITTED OUR 155505 (DEC20) AND 1711 (FEB 25) AND IN ESSENCE INDICATES ORASHI RIVER TECHNICALLY UNSUITABLE EVEN IN HIGH WATER SEASON (JUNE NOV) EVEN IF FMG POLITICAL AND MILITARY OBJECTIONS COULD BE OVERCOME. SINCE FALL OF UMUAHIA, AIRSTRIPS (AND OGUTA) EVEN MORE CLEARLY EMERGE AS PRINCIPAL FMG MILITARY OBJECTIVE. ALTHOUGH OUR INFORMATION BASED CHIEFLY ON DUTCH NEDECON RIVER STUDY, DUTCH MAY HAVE ADDITIONAL INFORMATION INDICATING DEGEMA (LUND'S PLAN) ROUTE FEASIBLE AND WE WOULD OF COURSE BE INTERESTED IN THEIR VIEWS.

8. THERE IS DEARTH INFORMATION HERE ON IMO RIVER WHICH DOES NOT APPEAR TO HAVE BEEN UTILIZED COMMERCIALLY IN PRE CIVIL WAR DAYS. IT PROBABLY WAS USED TO FLOAT DRUMS PLAM OIL LASHED TOGETHER AS RAFT DOWNSTREAM TO MINOR PORT OF OPONDO. ACCORDING TO NIS 150B SECTION 33, INLANDWATERWAY), IMO IS NAVIGABLE MINOR WATERWAY AS FAR UPSTREAM AS ABA/WERRI ROAD CROSSING. NIS DESCRIBES CHANNEL WIDTH AS 45 TO 90 METERS, WATER LEVEL AT HIGH WATER RISES .8 TO 3.0 METERS WITH STRONG CURRENTS. FALLEN TREES OFTEN OBSTRUCT CHANNEL. BEFORE IMO RIVER COULD BE CONSIDERED AS POTENTIAL RELIEF CORRIDOR ROUTE, FIRMER INFORMATION NEEDED. WE AND WOODI WILL ATTEMPT OBTAIN SUCH.

9. RE VEHICLE REQUIREMENTS: IN EVENT COLLAPSE OF REBEL ENCLAVE WOODI ATTEMPTING COLLECT INFORMATION REQUESTED PARA 6 REFTEL. HOWEVER, HE BELIEVES AND EMBASSY AGREES THERE WILL BE REQUIREMENT FOR MORE VEHICLES IN EVENT SUDDEN REBEL COLLAPSE.

10. WE GIVING FURTHER CONSIDERATION RE POSSIBLE ROUTES

UNFORTUNATELY ARRIVED AFTER HIS DEPARTURE FOR WARRI AND EMBASSY HAS LOOKED INTO QUESTION.

2. FREIGHTER FUCINATORE ENTERED WARRI RIVER BY USUAL ROUTE THROUGH EXCRAVOS RIVER (17/6 FT DEPTH PLUS 3-4FT ON TIDE) THENCE VIA CHANOMI CREEK AND FORCADOS RIVER. PRESUME QUESTION ARISES BECAUSE OF LENGTH FUCINATORE WITH LENGTH 573 FEET VESSEL WAS ONE OF LONGEST IN LOCAL MEMORY TO NEGOTIATE BENDS OF RIVER TO WARRI (AVERAGE LENGTH IS 480 FEET). IT IS THOUGHT THAT FUCINATORE DISCHARGED PIPE AT JUNCTION WARRI RIVER AND CRAW FORD CREEK BECAUSE SHE PROBABLY COULD NOT NEGOTIATE LAST BEND INTO WARRI. AND THAT SHELLIBP CONTRACTOR DESIRED DISCHARGE ON THAT SIDE ANYWAY.
